America Recycles Day (ARD),

November 15, is the only nationally recognized day dedicated to encouraging Americans to recycle and to buy recycled products. Celebrating its 11th year, it has grown to include millions of Americans pledging to increase their recycling habits at home and work and to buy products made with recycled materials.

On November 15 each year, millions of people become better informed about the importance of daily recycling and buying recycled products. The purpose of America Recycles Day is to continue to promote the social, environmental and economic benefits of recycling and encourage more people to join the movement toward creating a better natural environment.
